| JNV SOUTH WESTGARO HILLS | 3 | 0 |
| JNV SUPAUL | 5 | 0 |
| JNV WEST CHAMPARAN | 17 | 3 |

NOTE : A "Special Selection Scheme" only for JNV students is currently being implemented for the Top Neurons Scholarship Program. This means that the number of students selected from your school will depend on the number of applications received. If a total of 7 qualified applications are received from your school, at least one

student will be selected. If 12 qualified applications are received, a minimum of two students will be selected. And if 17 qualified applications are received, at least three students will be selected. Remember, this is a great opportunity for you to showcase your academic abilities and potentially receive a scholarship for your future studies.
